The Local Services Tax is a local tax due from all individuals who are employed within a jurisdiction in which the tax has been enacted. All Federal Employees and all Self-Reporting Individuals who perform services of any kind or engage in any occupation or professions within the stated Borough, Township, or School District are required to pay a Local Services Tax.

Please complete and return the LST-3 form below with your payment due. If for some reason you already paid the tax in another political subdivision, or at another place of employment, provide this office with proof of payment and we will adjust our records accordingly. If your primary employment jurisdiction has the Local Services Tax, the tax is not to be deducted from the secondary place of employment.
